## APPLICATION FOR MEMBERSHIP OF THE EUROPEAN CIRCUIT

### WHO CAN JOIN?

The European Circuit of the Bar is an association of barristers who have an interest and/or practice in both cross-border issues and those that involve EU law. We draw our membership not only from barristers practising in the UK but also across Europe. Our membership includes members of the Bars of other countries, in-house counsel and some solicitors. Students are also encouraged to join.

<b>Seconder</b>	<b>Signature</b>

**I request a proposer / seconder from the Executive Committee

## **COMMUNICATIONS**

### **Website**

The Committee intends to have a searchable, on-line directory of members available on the Circuit website, [www.europeancircuit.com](http://www.europeancircuit.com). The idea is that fellow members and other lawyers will utilise the directory to source counsel in other jurisdictions. Participation in the on-line directory is optional and member's information (and the extent of that information, e.g. contact details) will appear only with the member's express permission.

**I am interested in appearing in the on-line directory (your entry will be sent to you for your approval).**

### **Email**

The main means of communication with members is by email. We will send members details of Circuit events and news, and occasionally may convey messages from third parties which we feel may be of interest to members' practices. Individual email addresses will not be disclosed to other recipients in global emails. We do not pass on email addresses to third parties.

## **DECLARATION**

**I apply for membership of the European Circuit of the Bar**

**I enclose a cheque or banker's draft for £      or €      made payable to  
"the European Circuit of the Bar"**

**I will arrange for a bank transfer; please inform me of your account details**

### **Subscription rates**

Students / members up to three years' call	£5 / €7
All others	£25 / €42

Those paying by cheque or banker's draft will be sent details of the Circuit accounts (UK & Brussels) so as to arrange for a standing order or transfer for future years. Circuit subscriptions fall due each April.
